

MOTORCYCLE SUNDAY 2011 RECAP

We kicked off the 2011 motorcycle season properly by joining Motorcycle Sunday at Phillips Park in Aurora. Live music, food and product vendors (including our own club sponsor, Fax Valley Cycles) and camaraderie were topped off with a bike blessing, led by the event's founder, Pastor Randy Schoof of Warehouse Church, and included a 60-mile ride through the surrounding countryside. Thanks in part to favorable weather conditions, this year's event drew the largest crowd to date. Can't wait 'til next year!
